We hope you enjoyed your season with us here at Mario's Bowl. A big thank you to all of the parents, guardians and family members for supporting the kids in their efforts in Youth 10 Pin bowling. High scores, low scores and everywhere in between, it doesn't matter if you do good or not so good, it just matters that you participate and enjoy the time together each Sunday.

A huge thank you to all of our coaches and volunteers that put their time in each and every week. Brian, Dan, Rhonda, Clara, Ian and our newest coach Aaron deserve any accolades they receive for dedicating their time, whether it is a little or a lot, they come out whenever they are able and it is very much appreciated. To Patti for collecting each week, Melissa, Danielle and Dalainee for doing the 50/50 draws, to Dan, Lyndzie, Melissa, Teri, Patti, Danielle & girls for all of the fundraising and sponsorships that you bring to our youth league, thank you thank you thank you!. Thanks to Ian and Marx Pro Shop for the extra little things that you do for the kids as well as to Anne and Mario's Bowl for the donated practice time during the season and especially at tournament times. Brian McLean has done an exceptional job promoting not just youth bowling, but 10 pin bowling for all Thunder Bay bowlers. If you have seen something in the paper or online involving 10 pin bowling from our city, chances are Brian was the one that put it there.

My biggest thank you is for Linda Cella. Linda has put more time into cultivating our youth in bowling than possibly anyone in Canada. For years (many years!) she has pushed our youth to strive for better and believe in themselves. She has imparted her bowling knowledge on every child that has come through our program whether it be in league, tournament or at practice (during the season or at competition time). She has imparted her coaching expectations on all of the coaches that have helped over the years and especially the one typing out this preamble. While some may not like how Linda conveys her point (I, like many before and after me, had my moments with Linda during my youth days) but if you stop and hear what her message is, you will not find a more dedicated coach in any sport. She has always, and will always, put the kids first. Whether it is donating her own equipment to our program (sometimes a bowling ball that was used for a very short period of time), getting recycled shoes and bowling balls to the kids to save some expense for the family, ensuring that good sportsmanship is shown by all of our bowlers at all levels of competition and giving her time selflessly year after year without revealing any personal issues she may be dealing with in her life. Linda, probably to a fault, has pushed herself physically farther than she should have many times (including last year's nationals going directly to the hospital from the airport) but she never complained as it was for the kids. We have a lot of banners up at Mario's for provincial and national champions. Next time you look at them, remember that Linda was involved in almost each and every one of them. While she doesn't like the spotlight being on her, once and a while it won't hurt. Thank you, Linda, from all of the kids/coaches/parents and especially me. I look forward to many more years of your guidance and knowledge, on the lanes and off.

Bill

We hope you enjoyed our prize presentations on Sunday, June 9.

Here are all the award winners for 2018-19 season.

It is quite lengthy but we really want to highlight all of the accomplishments for the kids.

Have a great summer everyone! See you in August for registration!

EXECUTIVE RECOGNITION FOR A GRADUATING BOWLER

Brittany Woolley

(award presented by Linda Cella)

Brittany has been a member of our youth league for well over a decade, winning her first provincial medal in 2006 with a CTF bronze medal in the bantam division. It didn't take her long to get the taste of the gold medal, winning the 2008 YBC provincials for the bantam girls. The following year, she took home a national gold medal at the 2009 CTF nationals in the team event as well as a bronze in the doubles. Her 3rd national medal came in 2014 with a bronze in the doubles event as an intermediate.

Brittany advanced to a national final 7 times in an 11-year stretch (2008 – 2018) competing in every division from bantam all the way up to senior. Of course, as many golds as she had, she was also the “brides maid” at 5 more provincials including this season, her final as a youth competitor. If you do the math on that, she came in first or second at provincials every year except one from 2008 until today. That's an amazing achievement. She ends tied for 4th all-time for the total amount of provincial, national and international medals in our 37 seasons at Mario's. She also holds the record at the CTF provincials for junior girls high game of 277 set in 2010.

Her determination and dedication to our program has never wavered, even when school and one of her many jobs came along, she still continued to thrive and excel. She has been a model student and someone the younger bowlers can strive to be as they progress in their youth career.
